Here's to New Beginnings...

In December, we shared Tav's remarkable journey - a young man who faced profound challenges early in life but discovered hope, stability, and a new beginning when his former teacher chose to adopt him. As we step into 2026, his story reminds us how powerful a fresh start can be. If you haven't yet made a gift to our Annual Appeal, there's still time to help create more new beginnings for those who need them most. Your support truly makes a difference.
